Insert users by group

The users playing in this adventure

When you remove a user in the adventure, the users information is not deleted.

	Name	Points	Level	Name
	admin	51	1	 Remove

For the moment, there are only two themes, but in the future it will have more!

When you remove a user, the user is deactivate but doesn't delete the points. When you add the user again this user has the points.
